### JACKSON WARD POLITICS.

The Democratic Executive Committee Discusses Election Plans.

The Executive Committee in charge of the Democratic campaign in Jackson ward had a meeting last night at the Powhatan Club. Plans for work on elec-

tion day were discussed.

It was decided to call for volunteer workers from other words on election day.

The Democrats are hopeful of carry-

ing the ward as the Republicans are di-HOW TO LOOK GOOD.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver is inactive, you have a bilious look; if your stomach is disorder, you have a dyspeptic look; if your kidneys are affected, you have a pinched look. Secure good looks. "Electric Bitters" is a good Alterative and Tonic. Acts directly on the stomach. liver and kidneys, purifies the blood, cures pimple, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Owens & Minor Drug Company; 50 cents per bottle.
